### SPECIAL NOTES & BILLING POLICIES

- Written and verbal quotes are available upon request for all your excavation needs.
- A 0% to 5% fuel surcharge will be assessed on all equipment and vehicle time, and is subject to change without notice.
- Personnel travel and transport to and from the job site are not included in overtime charge calculations. Saturdays and hours over eight hours per day on site will be charged as overtime hours.
- Lowboy transport costs will include loading prior to departure and offloading upon return.
- Montana Department of Transportation oversize permits are required for the transport of some equipment on lowboys. All associated costs are billed to the customer. Written quotes are available upon request.
- Installation of tires chains, in-route, on-site, or pre-loading, will be billed to the customer at the labor and equipment rates listed.
- Job site conditions and specific tasks can require additional personnel. Additional labor will be billed to the customer at the labor rates listed.
- Prevailing wage adjustments will be added to listed rates if applicable.
- Montana Ready Mix, Ltd. reserves the right to change rates and policies without notice.
